Internet Banking Agreement

This Internet Banking agreement ("Agreement") governs your use of online banking and bill payment services via the internet with Countryside Bank. By using Internet Banking, you agree to be bound by this Agreement and accept its terms and conditions and any amendments. All Internet Banking transactions are also subject to applicable laws, regulations, rules, Countryside Bank's Agreement and Rules and other disclosures covering your accounts at Countryside Bank.

DEFINITIONS - Internet Banking refers to Countryside Bank's Internet accessed online banking and may be referred to as the "Services". The terms "we", "us" "our", and "Bank" refer to Countryside Bank and the term "you", "your", "user", or "Customer" refers to the Services User, whether singular or plural, who applied for use of the Services for designated accounts and was approved by the Bank. "Account" and "Accounts" refer to your Countryside Bank accounts that you designated, and we approved for the Services use. A business day is Monday through Friday, excluding Federal holidays and as otherwise posted in our branches or at bankcountryside.com.

ELIGIBILITY - To use the Services, you must have an eligible Countryside Bank account. Only those Accounts designated by you and approved by us may be accessed through the Services. We reserve the right to restrict use of the Services for one or more types of Accounts or transactions and to impose other limits or restrictions on use of the Services. You can only access Accounts on which you are an owner Because Internet Banking can recognize only one Login ID and password for each transaction, any one authorized user can effect a transaction, even if the Account ordinarily requires two signatures for a paper check, transaction or withdrawal. We will not be liable for transactions effected by a single authorized user with respect to such an Account.

PASSWORD AND SECURITY - You will choose your own User Name and password that you must use to access your Accounts through the Services. You agree that use of your User Name and password constitutes your authorization for all transactions made using your User Name and password, including all pre-authorized electronic fund transfers, and has the same effect as your written signature. You agree not to give or make your User Name and password available to any unauthorized individuals. If you believe that your User Name or password is lost or stolen, or that someone may attempt to use the Services without your consent or has transferred money without your permission, you must notify the Bank at once by calling 708-485-3100. A message can be left after our normal business hours and will be considered received upon retrieval the next business day.

Best security practices dictate that you maintain a strong password (a minimum of 10 characters including upper case, lower case, number and special characters) and change it frequently

Certain risks are associated with the transmission of confidential Electronic Records and Alert Notices through the Internet including but not limited to unauthorized access, systems outages, delays,

disruptions in telecommunications services and the Internet. **EMAIL IS NOT PRIVATE OR SECURE.** Any Alert Notice sent to you by email is an unencrypted, automatic alert. Although such Alert Notice is not intended to contain personally identifiable confidential financial information, it may contain in its design part or all of your name or other identifier, which could be seen or intercepted by others if delivered to your business address or other computers or electronic devices not exclusively under your control. You will not respond to any Alert Notice by return email, or use it to request information, service, paper copies or other items or to revoke consent. Countryside Bank will not be responsible to act upon requests made in that manner.

You acknowledge and agree that (a) the Password is a commercially reasonable method for the purpose of verifying whether any payment, transfer or other access to or use of the Services was initiated by you and (b) the Password is not intended, and it is commercially reasonable that the Password is not intended, to detect any errors relating to or arising out of a payment, transfer or other access to or use of the Services.

EMAIL ADDRESS – A current, valid email address is critical to our successful delivery of the Service to you. You agree to maintain an active email account at all times and to record such email address within your profile in the Services. You further agree to promptly notify us of a change of email address by changing the address within the Services.

If we contact you at the email address of record within the Services and learn that the email is undeliverable to that address, we may, at our discretion, 1) require you to provide a valid email address at the next login attempt; 2) require you to accept the Internet Banking Agreement again at the next login attempt; 3) attempt to contact you through another means to obtain a valid email address from you; 4) discontinue eStatements and revert your statement to paper (if you are receiving eStatements) and/or 5) disable the Services.

AVAILABLE SERVICES - You may use the Services to access your Accounts for online banking and bill payment services via the internet. The Services are normally available 24 hours a day, 7 days a week. However, the Services may not be available from time to time for system maintenance.

INTERNAL TRANSFERS – Internal Transfers refers to transfers made between accounts owned by you at Countryside Bank. Scheduled internal transfers will only be made if there are sufficient available funds in your Account at the time the transfer is scheduled to be made. The amount of each transfer will be debited from your Account at the time that the transfer is made.

PROCESSING TIMES - Immediate transfers will be completed at the same time the Bank receives your request. Transfer requests submitted after 6:00 p.m. Central Time will be completed on the next business day. Future dated and recurring transfers will be completed after 6:00 p.m. (Central Time) on the date they are scheduled to be made. If a recurring transfer is scheduled to be made on a date that does not occur in a given month, e.g. the 29th, 30th, or 31st it will be made on the last day of the month.

LIMITATIONS ON THE FREQUENCY OF INTERNAL TRANSFERS FROM MONEY MARKET AND SAVINGS ACCOUNTS - In accordance with Federal Regulations, no more than six pre-authorized, automatic or telephone transfers or withdrawals (including online banking) are permitted from a money market or savings account in a statement cycle. These transfers or withdrawals may be made by check, draft, or POS withdrawal (to the extent that these services

are available on an Account). Internal Transfers fall within this category of transactions and are subject to this limitation. A charge may be assessed for each transfer or withdrawal that exceeds these restrictions in accordance with our Account disclosures. We may change your account to a demand deposit account if you continue to exceed these limitations.

STOPPING OR MODIFYING INTERNAL TRANSFERS - You may modify or delete future dated or recurring internal transfer requests made using the Services prior to 6:00 pm. (Central Time) on the date the internal transfer is scheduled to be made. Immediate internal transfers cannot be cancelled after the transfer request is received by the Bank.

FEES AND CHARGES - Countryside Bank does not charge for the use of Internet Banking. Should you not logon to Internet Banking for a 90 day period, your service will be discontinued and you will need to re-enroll.

You agree to pay all fees and charges related to the Services and your Accounts as set forth our Agreement and Rules and the Account disclosures, and any expenses, costs and fees relating to any transaction using the Services or enforcement of this Agreement. This includes reasonable attorney's fees and legal expenses, subject to limitations imposed by Federal and State laws and regulations.

You understand that your accessing Electronic Records through the Website and receiving Alert Notices may incur certain costs associated with email, electronic access, downloading, online time and subscription costs associated with Internet and telecommunications service providers, paper and printing costs, and equipment or software upgrades if necessary. You agree that you will pay all such costs and expenses in connection with your use of the Services, including but not limited to eStatements, Bill Pay, Mobile Banking, Mobile Deposit and External Transfers.

USE OF THE SERVICES - As a condition of using the Services, you agree that you will:

1. Not allow anyone else to use the Services to access your Accounts or make transfers or payments;
2. Safely keep your User Name and password in your sole possession and not disclose or make it available to anyone else;
3. Only use the Services in accordance with this Agreement and any other instructions we furnish to you for the purpose authorized by us; and
4. Immediately report to us any loss, theft, or suspected unauthorized use of your Accounts through the Services.

OUR LIABILITY - We will use our best efforts to make all your transfers and payments properly. If you follow the terms and conditions described in this Agreement and other instructions provided to you, and we fail to process a payment on the Scheduled Payment Date, we will bear responsibility for the late charges that you incur up to a maximum of \$200.00. We will not be liable for any payment, including any late charges or penalties, if you do not comply with the terms and conditions of this Agreement and other instructions provided to you, including but not limited to, your failure to schedule a payment without allowing sufficient time for the payment to be processed.

Additionally, we have no obligation to make payments or transfers and shall incur no liability or obligation for late charges or penalties if we are unable to complete any payments that you initiate through the Services due to any one or more of the following circumstances:

1. Your Account is closed, does not contain sufficient available funds to complete the payment or transfer, is subject to legal process or otherwise encumbered;
2. Your equipment, or software is not working properly;
3. The Services is not working properly and you know, or are advised, about the malfunction before you execute the transaction;
4. The Payee mishandles or delays a payment sent by us or the payment is delayed or mishandled in the United States mail;
5. You do not provide us with the correct names, telephone number or account information for Payees or you otherwise fail to comply with applicable requirements;
6. Circumstances beyond our control (such as, but not limited to, fire, flood, or interference from an outside force, strikes, lockouts, war, acts of governmental authorities, delays of couriers or supplies, communications equipment failures, service interruptions on the internet or through your internet service provider, or our equipment malfunctions that occur despite ordinary maintenance) prevent the proper execution of the transaction and we take reasonable precautions to avoid these circumstances;
7. Our Agreement to provide the Services to you is terminated;
8. Applicable law prevents completion of the transfer; or
9. Unusual or extraordinary circumstances that indicate improper or unlawful use of your Account.

Provided none of the circumstances stated above are applicable, if we cause an incorrect amount of funds to be removed from your Account or cause funds from your Account to be directed to a person or entity that does not comply with your payment instructions and our action was not intentional and resulted from a bona fide error, we shall be responsible for returning the improperly transferred funds to your Account or for directing any previously misdirected payments or transfers to the proper recipient. There is no representation that the Services will be uninterrupted or error-free.

Our sole obligation to you arising out of non-availability, interruption, or delay in providing the Services, shall be to use commercially reasonable efforts to resume the Services.

THE PROVISIONS CONTAINED IN THE PRECEDING PARAGRAPHS CONSTITUTE OUR ENTIRE LIABILITY TO YOU AND YOUR EXCLUSIVE REMEDY. IN NO EVENT SHALL WE, OR ANY OF OUR AGENTS OR SUBCONTRACTORS, BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES, INCLUDING LOST PROFITS (EVEN IF WE ARE ADVISED OF THE POSSIBILITY) ARISING IN ANY WAY OUT OF THE INSTALLATION, USE OR MAINTENANCE OF SOFTWARE, EQUIPMENT, AND/OR THE SERVICES. THE BANK IS NOT LIABLE FOR ANY DAMAGES OR LOSS THAT MAY BE CAUSED TO ANY EQUIPMENT AND OTHER SOFTWARE DUE TO ANY VIRUSES, DEFECTS OR MALFUNCTIONS.

YOUR LIABILITY

IN GENERAL - You authorize us to credit or charge your Accounts for all transfers and payments initiated through the Services with your User Name and password. You are liable for all of these

transactions and for all unauthorized transactions to the extent permitted by applicable state and federal law.

FOR UNAUTHORIZED TRANSFERS - If you believe that your User Name or password has been lost or stolen, or that someone transferred or may transfer funds from your Account without your permission, please call us immediately at 708-485-3100. A message can be left after our normal business hours and will be considered received upon retrieval the next business day.

If you tell us within two business days after you discover your User Name or password has been lost or stolen, you can lose no more than \$50 if someone uses your User Name or password without your permission. If you do not tell us within two business days after you learn of the loss or theft of your User Name or password, and we can prove that we could have stopped someone from using your User Name or password without your permission if you had told us, you could lose as much as \$500. If your monthly statement contains transfers that you did not make, tell us at once as directed in the Errors and Questions section of this Agreement. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us within this time frame.

Please note: Regulation E, which establishes the rights, liabilities and responsibilities of participants in electronic fund transfer systems such as bill payment and electronic fund transfers (EFT) is for the protection of individual consumers. This regulation and its consumer protections DO NOT APPLY TO BUSINESS ACCOUNTS OR ACCOUNTS BEING USED FOR BUSINESS PURPOSES

as soon as you can if you think that your bank statement or transaction is wrong or you need more information about a transaction. You agree to notify the Bank of any suspected errors as soon as possible and no later than sixty (60) days after the applicable Bank account statement is sent or made available. You must:

If we do decide to do this, we will credit your Account within ten (10) business days for the amount you think is in error, so that you will have use of the money during the time it takes us to complete the investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not re-credit your account.

If we decide there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

Please note: Regulation E, which establishes the rights, liabilities and responsibilities of participants in electronic fund transfer systems such as bill payment and electronic fund transfers (EFT) is for the protection of individual consumers. This regulation and its protection DOES NOT APPLY TO BUSINESS ACCOUNTS OR ACCOUNTS BEING USED FOR BUSINESS PURPOSES.

RETURN ITEMS AND OVERDRAFTS - At our discretion, we may return or not complete an electronic bill payment or transfer for any of the reasons stated in this Agreement, including where there are not sufficient available funds in your account to cover the transaction. We will send you notification of any payment or transfer that we do not complete.

If you make a payment or transfer that is returned, or that is paid on an overdrawn Account, you will incur our standard overdraft fees as stated in your Account disclosure. Additionally, you agree to reimburse us immediately upon demand for the amount of the payment or transfer and any related fees or charges.

STATEMENTS AND RECORDS - You can use the Services to request or print a statement of transactions from your Account. These statements are not considered official records of the Bank. You will continue to receive your regular monthly bank statements for all checking, NOW, and money market Accounts. A monthly bank statement will be issued for statement savings Accounts with electronic fund transactions in a particular month. Regular statement savings account statements will be issued at least quarterly.

Your use of the Services, conversations with Bank personnel, and email messages may be monitored or recorded in order to help us provide you with better service. You consent to this as a condition of using the Services.

MODIFICATIONS OF ACCOUNTS AND SERVICES - If you use the Services to modify any Accounts, services or information pertaining to your Accounts and services, you authorize us to accept your electronic request as though it was made in writing and signed by you.

NOTICES AND EMAIL - You may use the Services to send us secure messages. We may also send messages and notices to you via the Services. Countryside, IL 60525

If you discontinue the Services, it is your obligation to cancel all outstanding scheduled payments and transfers.

We may suspend or terminate your use of the Services at any time without notice. Neither termination nor discontinuation shall affect your liability or obligations under this Agreement.

We may modify this Agreement, including any applicable fees or charges, at any time. Your use of the Services after any change or amendment constitutes your agreement to the change and to pay any applicable fees.

Additionally, we may revise or update the Services at any time. We reserve the right to terminate your use of prior versions of the Services, and limit access to more recent revisions and updates. If any expanded Services are made available to you, you agree that any additional or modified Services are also subject to this Agreement, and as it may be amended.

INACTIVITY - If you do not log on to the Services for a period of 90 (ninety) calendar days, the Services will automatically be cancelled. ADDITIONAL MODULES—Bill Payment, eStatements, External Transfers, Mobile Banking and Mobile Deposit are additional features of Internet Banking. Each module, with the exception of Mobile Deposit, will require you to enroll or apply for the feature. Mobile Deposit is automatically included with your enrollment in Mobile Banking. Instructions for termination of a specific module are included within Internet Banking as well as within this agreement. You are not required to utilize any of the additional modules. If you have enrolled in any module you may terminate use

of that module by following the instructions listed in the specific section of this agreement. You must, however, maintain an active Internet Banking account to maintain access to any module.

GENERAL - This Agreement shall be governed by Illinois law without regard to that state's conflict of law principles and is subject to all applicable State and Federal laws and regulations. Your Accounts with us are also governed by the terms and conditions contained in our Agreement and Rules, Internet Banking and Billpay Service Fee Schedule, Account disclosures, and other Agreements that pertain to your Accounts. We may enforce any of our rights under the Agreement even if we choose not to exercise any right in a particular circumstance. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect. This Agreement supersedes any prior understandings and agreements relating to the Services thereto.

All representations regarding liability and warranties, including but not limited to, the Your Liability and Our Liability sections of this Agreement, shall survive termination of this Agreement.

You may not assign this Agreement to any other party. We may assign or delegate certain of our rights and responsibilities under this Agreement to affiliate entities, independent contractors or other third parties. If more than one person is authorized to use the Services, they are bound jointly and severally under this Agreement and the Bank may act on the instructions or orders of any authorized user.

INFORMATION AUTHORIZATION - You authorize us to obtain credit information about you at any time. You also agree that we may obtain additional information from a Payee or financial institution regarding your accounts to resolve payment problems.

DEPOSIT AND CREDIT AGREEMENTS - The terms and conditions in this Agreement are in addition to any other agreement you have with us, including the Countryside Bank Agreement and Rules Brochure and any deposit account agreement relating to your Accounts ("Deposit Agreement") and credit agreements relating to your Countryside Bank credit accounts, including any disclosures made pursuant to such agreements ("Credit Agreement"). If your Deposit Agreement or Credit Agreement does not address online access or use of your account, this Agreement modifies your Deposit Agreement or Credit Agreement to include online access or use of your account.

RIGHT OF SETOFF - We may debit any of your accounts with us to obtain payment for any item that has been rejected or returned, for any adjustment related to such item for any warranty claim related to such item (whether or not the rejection, return, adjustment or warranty claim was made timely), or for any other amounts owed to us under the terms of this Agreement.

EXCLUSION OF WARRANTIES - THE SERVICES AND RELATED DOCUMENTATION ARE PROVIDED "AS IS" WITHOUT ANY WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Bill Payment Service

You may apply for Bill Payment Services (Billpay) through Internet Banking. Only those users approved will be able to use Billpay. This approval process generally will take no longer than 1 (one) business day. You can use Billpay to schedule a bill payment to a business or individual ("Payee") in the United States. Payments can be scheduled on a one-time or recurring basis. Recurring payments are those made for the same dollar amount on the same date each month.

Recurring payments cannot be scheduled more than 365 days in advance unless the first scheduled payment is due within 365 days from the date it was originally scheduled. Bill payments can only be made from a checking Account or NOW Account. If you use more than one checking Account or NOW Account to make bill payments, you must designate the Account from which the payment is to be made ("Payment Account") each time you schedule a payment.

By providing Countryside Bank with the names and account information of Payees, you authorize us to follow the payment instructions that we receive from you through Billpay and to rely on the accuracy of all of the information that you provide to us. It is your responsibility to update the Payee and payment information if there are any changes. It remains at our discretion to determine the appropriate method for processing payments to Payees; we may choose to make payments electronically or by check.

TYPES OF PAYMENTS

GOVERNMENT PAYMENTS - You cannot make government payments, including court directed payments, through Billpay. At our discretion, we may refuse to pay any Payee and refuse to make payments that we believe are fraudulent or erroneous. We will notify you promptly if we refuse to make a payment to a Payee (except if you attempt to make a government payment or pay Payees outside of the United States).

OVERNIGHT PAYMENTS - When making a payment, you may opt to have your payment delivered faster than our standard payment schedule. This is called an "Overnight Payment". When you choose to make an overnight payment, a convenience fee of \$14.95 will be charged to your checking account. You will see this fee as a separate transaction.

Overnight payments must be set up prior to 9:00 PM Central Time for overnight delivery. You will be able to cancel or edit any request for an overnight expedited payment until this time.

HOW PAYMENTS ARE SENT – In general, we strive to send as many payments as possible via an ACH (Automatic Clearing House) transaction. This may not always be possible if the person or company to whom you are sending the payment does not have an ACH agreement with us or if we believe the payment presents a higher risk to us. In this case, we will send a paper check either drawn off our clearing account (Corporate Check) or drawn off your account (Draft Check).

WHEN TO SEND YOUR PAYMENT - The business day that you select to have your bill payment made ("Scheduled Payment Date") must be no less than the number of business days required by Billpay for that type of payment before the actual due date, not the late date and/or a date in the grace period. While it is anticipated that most transactions will be processed and completed on the next business day after the Scheduled Payment Date, it is understood that due

to circumstances beyond the control of Billpay, particularly delays in handling and posting payments by slow responding Payees or financial institutions, some transactions may take a day or even a few days longer to be credited by your Payee to your Payee account. We are not liable for any late payments where you do not allow for sufficient processing time. See the Our Liability section of this Agreement.

You must have sufficient available funds in your Payments Account on the Scheduled Payment Date for the Bank to complete your payment.

All bill payments scheduled to be made on a Saturday or Sunday will be posted on the preceding Friday. Bill payments scheduled on a federal holiday will be made on the business day prior to the holiday. If a recurring bill payment is scheduled to be paid on a date that does not occur in a given month, e.g. the 29th, 30th or 31st, it will be paid on the next business day. Bill payment requests received after 9:00 p.m. (Central Time) on a business day or anytime on a non-business day will be processed on the next business day.

DOLLAR LIMITATIONS ON PAYMENTS - For security reasons, we may impose limits on the dollar amount of bill payments or transfers from your Account.

ADDING OR DELETING A FUNDING ACCOUNT - When Billpay is granted to you, one of your checking or NOW accounts is designated as a "Funding Account." This account is used to make all payments. If you would like to add an additional funding account on which you are an owner, or if you no longer wish to use an account for payments, you may do so by visiting your local branch, phone at (708) 485-3100 or by mail at:

Countryside Bank
ATTENTION: Deposit Operations
6734 Joliet Road
Countryside, IL 60525

STOPPING, MODIFYING OR CANCELLING PAYMENTS - You may cancel or edit any payment (including recurring payments) prior to 9:00 p.m. (Central Time) of the Scheduled Payment Date by following the directions within the Services. You cannot use the Services to cancel or edit any payment on the Scheduled Payment Date after 9:00 p.m. (Central Time). If you need assistance with canceling or stopping any payment prior to 9:00 p.m. on the business day before the Scheduled Payment Date, you may call Internet Banking Customer Service at 800-439-1467 during the hours stated in the Customer Service section of this agreement.

TERMINATION OF BILLPAY SERVICE - If, at any time, you wish to terminate your use of the Billpay service for any or all enrolled External Accounts, you will need to discontinue use of the External Transfer service and immediately cancel any scheduled transactions, whether one-time or recurring transactions. Failure to do so may allow the outstanding External Transfers to be processed.

Termination of the External Transfer service with an External Account may be requested by you, or by any other owner or person presenting ownership of that External Account at any time. To terminate the External Transfer Service, contact any Branch representative. You may also contact us by phone at (708) 485-3100 or by mail at:

Countryside Bank
ATTENTION: Deposit Operations
6734 Joliet Road
Countryside, IL 60525

The Bank reserves the right to terminate the Agreement and your ability to perform External Transfers in whole or in part at any time without prior notice. All External Transfers are Automated Clearing House (ACH) transactions and as such you and each External Transfer are subject to the National Automated Clearing House Association (NACHA) Operating Rules then in effect. Not all types of accounts are eligible for ACH transfers. You may be subject to penalties by the third-party financial institution, or may suffer negative tax consequences, for certain transactions involving retirement (401k, IRA, etc.), savings trusts loans, custodial and other types of accounts. It is your responsibility to verify with the third-party financial institution any restrictions regarding transfers to or from any External Account that you enroll.

Notwithstanding your termination of the External Transfer service, this Agreement will continue to govern any transactions that cannot be canceled at the time of your termination. Countryside Bank reserves the right to terminate your access, or any access, to the External Transfer service, to cancel any and all transactions, and remove any or all enrolled External Account for any or no reason, including without limitation fraud, misuse, kiting, ACH transaction rejects and returns, or any unauthorized access or use of the External Transfer service.

ERRORS AND QUESTIONS – For instructions on how to contact us regarding any errors or questions associated with your bill payments, you may contact us by phone at (708) 485-3100 or by mail at:

External Transfers

This External Transfer agreement ("Agreement") sets forth the terms and conditions under which Countryside Bank ("Us", "We", "Our", "the Bank") may, at your instruction, initiate a transfer of funds from your Countryside Bank account to an account you own at another financial institution or a transfer from that account to your Countryside Bank account. These terms and conditions affect your rights and you should read them carefully. By reading and accepting these terms and conditions you are affirming your consent to receive information electronically, you have the ability to receive and retain electronic communications, and you agree to the terms and conditions set forth in this agreement. Countryside Bank reserves the right to provide information and notices about this service to you by non-electronic means as well. Countryside Bank reserves the right to refuse enrollment in the External Funds Transfer Service for any reason.

ENROLLMENT AND VERIFICATION - In order to facilitate the transfer of funds to or from an External Account (External Transfer), You will need to enroll an External Account before you can transfer funds to or from that External Account. To “enroll” an External Account, you must provide the following information regarding that External Account, account number, the ABA Routing and Transit number for the external financial institution, the name of the external financial institution, and whether the External Account is a checking or savings account. By enrolling an External Account, you authorize Countryside Bank to make two deposits to and one withdrawal from your External Account that you must verify before Countryside Bank will approve that account for External Transfer activity.

Countryside Bank reserves the right to reject an enrollment request for any reason, including without limitation potential fraud or misuse, limitations as outlined by the United States Department of the Treasury’s Office of Foreign Assets Control, or an incomplete enrollment. You agree to enroll only personal accounts (business, corporate, or organization accounts are NOT allowed). We reserve the right to limit transfer eligibility to certain types of accounts and to change such eligibility from time to time.

It is important to note that if the External Account that you are attempting to enroll is designated by the Federal Reserve Board’s Regulation D as a “savings account”, such as a money market account, then it is subject to the limits on the number of transfers and withdrawals allowed per month. If you are unsure if your External Account is subject to withdrawal limits please contact the Bank or the financial institution holding the account. If at any time withdrawals from the External Account exceed the number allowed for the month that financial institution may contact you and you may be subject to fines or penalties by that institution.

If you fail to complete the account verification process for a particular External Account, you will not be able to transfer funds to or from that External Account.

Not all types of accounts are eligible for External Transfers. You may be subject to penalties by the other financial institution, or may suffer negative tax consequences, for certain transactions involving retirement (401k, IRA, etc.), savings, money market accounts, certificates of deposit, trusts, loans, custodial, business, corporate and other types of accounts. It is your responsibility to verify with the external financial institution any restrictions regarding transfers to or from any External Account that you enroll. Countryside Bank is not responsible for direct, indirect, special or consequential costs, fees, losses, penalties, or other damages resulting from External Transfers that are not permitted under restrictions of other financial institutions or those imposed by applicable laws and regulations.

Countryside Bank shall not be liable for errors due (i) to your Deposit Account or External Account containing insufficient funds to make the External Transfer, (ii) to the third party financial institution holding the External Account mishandling or delaying the processing or posting of the External Transfer funds, and (iii) to you providing us with incomplete or incorrect information for the account verification process for an External Transfer. If we know or receive notice that funds in your Deposit Account are needed to satisfy an obligation such as the payment of a cashier’s check or the payment of a debit initiated at a point-of-sale terminal, we may place a hold on those funds, making them unavailable to an External Transfer, until the final settlement date when the funds are withdrawn to pay the obligation.

External Transfers are subject to the availability of sufficient funds at the time the transaction is posted. If enough funds to complete the transaction are not available, the Bank may, in its sole discretion, reject the request.

EXTERNAL ACCOUNT NUMBER POLICY - Countryside Bank may, but has no obligation is not obligated to validate any External Account number that you provide in the enrollment process. It is your responsibility to ensure you enter a valid and correct External Account number. External Transfers sent to invalid or incorrect account numbers may not be recoverable. If you provide an invalid or incorrect External Account number, Countryside Bank will NOT be responsible for returning funds due to an unrecoverable External Transfer.

EXTERNAL TRANSFER LIMITS - For security purposes, Countryside Bank establishes limits on the amount of External Transfers that can be made during any one day. External Transfers are currently limited to:

Next Day Delivery:

Daily Limit: \$2,000

Monthly Limit: \$5,000

Standard Delivery:

Daily Limit: \$5,000

Monthly Limit: \$10,000

We reserve the right to change such limits from time to time. Any transfer initiated on a day that is not a business day will be processed the next business day and will count toward the limit for that day. If we permit you to make an external transfer in excess of these limits, such transfer will still be subject to the terms of this Agreement, and we will not be obligated to allow such a transfer at other times.

STOPPING OR MODIFYING EXTERNAL TRANSFERS - You may modify or delete any scheduled one-time or recurring External Transfer initiated through Internet Banking if you do so within one business day prior to the scheduled transaction processing date (i.e., two business days prior to the scheduled delivery date). This can be done by modifying or deleting the scheduled transfer from within Internet Banking. A cancellation or modification request for a one - time transfer will apply to that specific transaction. An External Transfer cannot be modified cancelled once it is in process.

TERMINATION OF THE EXTERNAL TRANSFER SERVICE - If, at any time, you wish to terminate your use of the External Transfer service for any or all enrolled External Accounts, you will need to discontinue use of the External Transfer service and immediately cancel any scheduled transactions, whether one-time or recurring transactions. Failure to do so may allow the outstanding External Transfers to be processed.

Termination of the External Transfer service with an External Account may be requested by you, or by any other owner or person presenting ownership of that External Account at any time. To terminate the External Transfer Service, contact any Branch representative. You may also contact us by phone at (708) 485-3100 or by mail at:

The Bank reserves the right to terminate the Agreement and your ability to perform External Transfers in whole or in part at any time without prior notice. Not all types of accounts are eligible for ACH transfers. You may be subject to penalties by the third-party financial institution, or may suffer negative tax consequences, for certain transactions involving retirement (401k, IRA, etc.), savings trusts loans, custodial and other types of accounts. It is your responsibility to verify with the third-party financial institution any restrictions regarding transfers to or from any External Account that you enroll.

Notwithstanding your termination of the External Transfer service, this Agreement will continue to govern any transactions that cannot be canceled at the time of your termination. Countryside Bank reserves the right to terminate your access, or any access, to the External Transfer service, to cancel any and all transactions, and remove any or all enrolled External Account for any or no reason, including without limitation fraud, misuse, kiting, ACH transaction rejects and returns, or any unauthorized access or use of the External Transfer service.

eStatements

AUTHORIZATION AND CONSENT - By executing this authorization, you, other owners, or authorized representatives ("**you**", "**your**" or "**Owners**") of bank accounts designated from time to time ("**Designated Accounts**") may receive electronic notice and delivery of selected account statements, account records, agreements, disclosures, and other information for such Designated Accounts ("**Electronic Records**") from Countryside Bank ("**Countryside Bank**") by access through a secure website ("**Website**"), as described herein ("**eStatement Service**" or "**eStatements**"). The eStatement Service allows receipt of, or access to, an electronic version of paper-based bank account. This Service permits the flexibility of saving and printing account statements at any given time. You will be notified through email when your statement is ready for viewing. You must validate your email address upon enrollment. For Bank account statements, two attempts will be made to notify you that a statement is available to view. If the email address provided is incorrect and is not corrected by you, you will be unenrolled from receiving your bank account statements online and will begin receiving account statements through the U.S. Mail. You may select one or all of the listed account statements to receive electronically.

Using the eStatement service will stop delivery of paper records; cancelled checks and combined statements. By your agreeing to use the eStatement Service to electronically access, review, download and print selected Electronic Records for your Designated Accounts, Countryside Bank may no longer deliver in paper form the information (including copies of cancelled checks) contained in your selected Electronic Records. Any account that does not have an Electronic Record selected for electronic delivery will continue to have its Electronic Records delivered in paper form. If you or any other party on your Designated Accounts previously combined, or hereafter combine statements for multiple accounts in which you, individually or jointly with another person(s), are an Owner or Signer, those accounts will be considered as Designated Accounts in connection with this eStatement Service. After this enrollment, you or any other Owner or Signer may elect to add Designated Accounts by clicking the "options" tab found within Internet Banking and thereafter any use of the eStatement Service shall constitute acceptance

by all Owners of such Designated Accounts of the terms of this Agreement. Designated accounts may be deleted from the eStatement service by following the directions in the Termination of eStatements section below. , Any other Owner on any Designated Account may view Electronic Records for all other Designated Accounts. However, for another Owner on a Designated Account to access and view eStatements, s/he must separately sign up for eStatements.

Some transaction records may continue to be delivered in paper form, even though you have requested electronic delivery of selected Electronic Records through the Website, Countryside Bank at their discretion may deliver in paper form to your last postal service mailing address of record certain Electronic Records for your Designated Accounts.

NOTIFICATION OF ESTATEMENT AVAILABILITY - The only notice that you will receive advising you that Electronic Records have been posted to the Website will be by email or other electronic message ("**Alert Notice**") sent to the single, specific email address selected and confirmed by you ("**Designated Email Address**"). This Alert Notice will be the only notice you will receive and that no other notice will be sent. Any and all Alert Notices sent by Countryside Bank to the Designated Email address will constitute sufficient and effective delivery and notice to you and all Owners of information contained in your Electronic Records whether or not you access or review the Alert Notice, Website or specific Electronic Record, and shall be deemed to have been delivered to you personally, whether actually received or not. You agree to maintain access to the Website in a manner that gives you continuous ability to access, review, download and print your Electronic Records and to receive and access all Alert Notices to you at the Designated Email address.

VALID EMAIL ADDRESS – As referenced in the section above titled "Email Address" you must maintain and immediately advise Countryside Bank of all changes or updates to the Designated Email Address or if it becomes inoperative or inactive and to immediately identify another Designated Email address to be used for the eStatement Service. All terms in the Electronic Records for the Designated Accounts are binding on each Owner of the Designated Account just as if they were delivered in paper form. The Electronic Records are delivered in a manner to allow you immediate access to download and print the Electronic Records on your personal computer.

REJECTED EMAIL ALERT NOTICES - If Countryside Bank attempts to send an Alert Notice to the Designated Email Address and receives two (2) consecutive reports from an email service provider or other source that the email is undeliverable, Countryside Bank will un-enroll you and any other Owners and cancel the eStatement Service for online delivery of your Countryside Bank account statements.

REQUEST A PAPER COPY OF YOUR STATEMENT - Countryside Bank will send you a paper copy of your Electronic Record previously delivered through the eStatement Service at your request. HARDWARE AND SOFTWARE REQUIREMENTS - You agree that you have or will have access at all times to personal computer capability that supports at your cost the eStatement Service's requirement to receive and view Alert Notices and Electronic Records in HTML or PDF form, high-level browser encryption, PDF file access, Internet and email access. If the method of electronic delivery by Countryside Bank changes so as to require additional software, upgrades, plug-ins or additional security features in your hardware or software system used by you ("System or Hardware Enhancement"), you may terminate the eStatement Service or you agree to upgrade your hardware or software system to the required standards, software, applications or other feature(s) made available to you by appropriate hyperlink on the Website or otherwise. You must have access to and maintain a valid email address as the Designated Email Address and a computer with the ability to download PDF files using Adobe Acrobat Reader® or other programs as Countryside Bank may advise. If Countryside Bank determines that a change to the eStatement Service concerning any future System or Hardware Enhancement creates a material risk that a consumer may not be able to access or retain a subsequent Electronic Record, Countryside Bank will notify such consumer of such change and allow such consumer to withdraw his or her consent for this eStatement Service, whereupon Countryside Bank may terminate this Service until such consumer again enrolls in this Service and delivers a new consent to participate in this Service.

RECEIPT OF ITEMS - We reserve the right to reject any item transmitted through Mobile Deposit, at our discretion, without liability to you. We are not responsible for items we do not receive or for Check images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation from the Bank that we have received the image. Receipt of such confirmation does not mean the transmission was error free or complete. Processing and/or transmission errors can occur after we acknowledge receipt that may impact transaction completion. Following receipt of such confirmation, the Bank will process the image by preparing a "substitute check" or clearing the item as an image.

AVAILABILITY OF FUNDS

- Checks deposited that are less than \$25,000 will be available on the first business day after the business day of your deposit. Checks deposited that are \$25,000 or more will have \$200.00 available on the first business day after the business day of your deposit, and the remaining funds will be available on the second business day after the day of your deposit. Subject to the cutoff times described above.
- Checks are subject to verification by Countryside Bank and may be rejected for any reason without liability to you. If the Check is verified by Countryside Bank, the balance of the Check will be made available to you the second business day after the day of deposit in most cases.
- There are some reasons that you may have delayed availability. Please refer to Countryside Bank's Funds Availability Disclosure for more information.

DISPOSAL OF TRANSMITTED ITEMS - After you receive confirmation that we have received an image, and once you receive full credit for the Check, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. Destroying the Check prevents it from being presented for deposit another time. You will be liable for checks that are presented more than once. After destruction of the original check, the image will be the sole evidence of the original check. You agree that you will store the original check in a secure place until it is safely destroyed. You further agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

RETURNED DEPOSITS - Any credit to your account for Checks deposited using Mobile Deposit is provisional. If original Checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item including, but not limited to, any attorney fees incurred. Without our approval, you shall not attempt to deposit or otherwise re-negotiate an original check if it has been charged back to you.

MOBILE DEPOSIT SECURITY - You will ensure that your mobile device remains securely in your possession until the deposit has been completed. It is your responsibility to establish and maintain procedures to safeguard against unauthorized deposits.

You will notify us immediately by telephone at (708) 485-3100 and with written notice if you learn of any loss or theft of original checks. You can contact us at:

DEPOSIT LIMITS - We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using Mobile Deposit and to modify such limits from time to time in our sole discretion. Unless otherwise specified by the Bank, changes to such limits shall be effective immediately upon notice to you via email or the Bank's website. These limits may change from time to time without notice to you in our sole discretion. If you attempt to initiate a deposit in excess of these limits, we will reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times. Currently, deposit limits are \$2,000 per item/\$2,000 per day.

CONTINGENCY PLAN - In the event you are unable to capture, balance, process, produce or transmit a check to the Bank, or otherwise comply with the terms or the procedures for any reason, including but not limited to, communications, equipment or software outages, interruptions or failures, you will transport or mail the originals of all checks to the closest Bank branch. The deposit of original checks at a branch of the Bank shall be governed by the terms and conditions of the Deposit Account Agreement and not by the terms of this Agreement.
